

Exhausts & Batteries

Our service includes testing the condition of your battery absolutely free of charge. Every battery we supply and fit comes complete with a full guarantee of up to 3 years. We stock batteries for all makes and models and pride ourselves on our highly competitive pricing. We carry full exhaust systems for all makes and models and just as importantly our technicians are among the most highly trained and efficient in the industry. The systems we stock include: Timax, Bosal and Walker and are all fully guaranteed.
