

Brakes & Shock Absorbers

Across our huge stock of brake discs and parts you will find only one name; Lucas. In our opinion (and in our experience) Lucas make the finest brakes in the industry and when it comes to fitting brakes to your car only the best is good enough. All our branches offer a free brake check and all our branches have highly trained technicians. Shock absorbers take tremendous punishment when your car is on the road and they should be checked on a regular basis. We do this for you free of charge and we stock all the leading manufacturers and can suit every vehicle and budget. A full guarantee of up to 3 years applies to every shock absorber we fit.
